File:	Always submit your design as a PDF using our artwork template. This ensures that the dimensions and print position are correct, helping to prevent production errors.
Print colours:	Submit the artwork in one colour from the template.
Text:	Always convert all text to outlines.
Print marks:	The file must be submitted without print marks.
Text size:	Small text and fine details may fill in during printing.
Readability:	Check the readability by viewing the file at 100% size (do not zoom in).
Safety margin:	Place all elements inside the safety margin. Anything outside will not be printed.
Layers:	Place all design elements on the design layer so that the template layer can be safely removed without losing any parts of the design.

Check before submitting:

- ☐ PDF placed in the artwork template
- ☐ No print marks
- ☐ Text converted to outlines
- ☐ All elements inside the safety margin
- ☐ Design placed on the design layer
- ☐ Print colours set correctly

Use this checklist to verify that the files you are submitting are ready for production.
This helps prevent delays in processing your order.
